MEMORANDUM FOR: NIO/SP

FROM : SA/DCI/IA

SUBJECT : Preparations for SSCI Hearing on MX,
8 December 1982

1. Upon informing the Director today that the SSCI Hearing has been scheduled for 8 December, he asked that the following points be worked into his draft overview presentation. 25X1

2. He asked also about the status of NIE 11-3/8, commenting that it would be useful to read what we are saying in that document before the testimony.

3. He asked that [redacted] be present at the Hearing in order to address any questions on the arms control implications of the MX/Dense Pack plan. 25X1

4. I informed him that you would provide him Friday a copy of your technical presentation and a draft overview for his use. I subsequently asked [redacted] to provide via you potential Q and A's on the arms control issues. We are attempting to set up a meeting for you and Doug with the Director on Monday, 6 December, in the hopes that the Director will have read your material and worked over his presentation during next weekend. 25X1
